Subject: Discussion of U&O FIP consistency with Utah's rules
Start Date/Time: Mon 8/1/2016 7:00:00 PM
End Date/Time: Mon 8/1/2016 8:00:00 PM

Meeting to discuss whether the proposed U&O FIP is consistent with Utah's rules for oil and gas operations. Brock and Sheila from Utah DAQ called this afternoon, concerned about an email they received from Alan Matheson. Alan had received a letter from an oil and gas lobbyist named Kent Burton (who was representing QEP) claiming that our FIP would be going "above and beyond" Utah's four proactive rules.
